

from flying combat missions. Instead they flew missions to ferry military personnel, equipment and delivered new aircraft.

Yesterday, the United States Congress honored these women by awarding them the Congressional Gold Medal, a recognition that was long overdue. It wasn't until 1977 that our nation recognized these women for their military service. The WASP Corps was disbanded in 1944.

Jean relocated to Cincinnati over sixty years ago and is the retired Director of the Men's Mercantile Library Association. She is a mother of three and grandmother to four wonderful grandchildren, her family was present today to see her honored.

Jean and the women of the Women Air Force Service Pilots Corp are true American Heros. I am extremely happy that today they were given the recognition they have long deserved.

RECOGNIZING CONTRIBUTIONS OF KOREAN AMERICANS

SPEECH OF

HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 9, 2010

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I rise today in support of H. Res. 1036 to recognize the contributions of Korean Americans in the United States.

On January 13, 1903, over a hundred Korean immigrants came to the United States, and today there are more than a million people living in this country who can trace their ancestry to Korea. In my district in Texas, we are privileged to have a very large and dynamic Korean American community, and through the years, Dallas has benefitted immensely from this community's contributions. Additionally, the Dallas/Fort Worth area has a remarkably strong trading relationship with South Korea and the city both imports and exports exhaustively with the country.

Mr. Speaker, our country is stronger because of communities like the Korean American community, and we are fortunate that they have added unique and dynamic attributes to the American character. I ask my fellow colleagues to join me today in honoring their contributions to American culture and in celebrating their accomplishments in this country.

IN RECOGNITION OF GLEN KROHN FOR HIS YEARS OF SERVICE TO THE NEW LENOX FIRE PROTECTION DISTRICT

HON. DEBORAH L. HALVORSON

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 11, 2010

Mrs. HALVORSON. Madam Speaker, on April 3, 2010, friends, family, and colleagues of Glen Krohn will gather to celebrate his 50 years of service to the New Lenox Fire Protection District. Today I join the chorus of praise for Glen's service.

Glen, a 70 year resident of New Lenox, began his service to the New Lenox Fire Pro-

tection District on December 8, 1960. When he first began, Glen gave his time for little or no pay. His role in the fire department grew as he devoted additional time and effort for what he viewed as a great cause.

Glen began his life of service to our country with three years in the US Army. He then began a half century of service to the New Lenox Fire Protection District. He has served as Lieutenant Engineer, Chief Engineer, and, since 1997, as Trustee. Glen has twice been awarded the honor of Firefighter of the Year. He is known to his colleagues as the historian of the fire district and is said to possess a heart of gold.

Glen is also a loving grandfather, father, and husband. Glen and his wife, Doris, have been married for 56 years and have three children and seven grandchildren.

The 11th Congressional District of Illinois and the community of New Lenox owe Glen Krohn a debt of gratitude. I am proud to represent him and all the wonderful firefighters who serve the 11th District. I congratulate Glen on being honored by his colleagues and wish him continued success.

HONORING ARIZONA WESTERN COLLEGE FOR HISTORIC SOLAR ARRAY

HON. RAÚL M. GRIJALVA

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 11, 2010

Mr. GRIJALVA. Madam Speaker, I rise today to honor Arizona Western College, a community college in southwestern Arizona that serves over 13,000 full-time and part-time students in Yuma and La Paz Counties. Arizona Western College, in collaboration with Arizona Public Service and Power Purchase Agreement Inc., will be establishing the largest array of solar energy panels of any college in the country. The total solar installation, which will be on the college's main campus in Yuma, Arizona, will be 5 megawatts, generating enough energy to cover 100% of the college's energy needs.

The installation will also be a testing site for manufacturers around the world as well as the foundation for education and workforce development in renewable energy technology. Arizona Western College is in the process of developing curriculum in solar energy technology, ranging from occupational certificates to an associate's degree program while plans to partner with university programs for bachelor and master's degrees are also underway. The installation will not only provide a source of clean energy for the campus, but it will also help train the next generation of "green collar" professionals. While the solar array will most surely change the face of the local economy, it also has the potential to impact solar technology research and education on a national and global scale. By training individuals in these technologies and supporting technological advances in solar energy production, Arizona Western College is leading the way to a clean energy economy.

Arizona Western College's decision to enter this partnership will help reduce our country's dependence on unsustainable fossil fuels, actions which I applaud. By investing in renewable energy technologies and research, Ari-

zona Western College will help make these technologies more affordable and readily available across America. Our country has been at the forefront of past technological revolutions, and with Arizona Western College spearheading the effort, America will be the leading innovator in solar energy technology.

This project takes us one step closer to establishing a sustainable energy future. As a member of the House Committee on Natural Resources, I not only admire but also wholeheartedly support Arizona Western College's initiative to help lead the country in developing technologies that will help harness the power of the sun.

SARA PLATT

HON. SAM GRAVES

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 11, 2010

Mr. GRAVES. Madam Speaker, I proudly pause to recognize Sara Platt. Sara is a very special young woman who has exemplified the finest qualities of citizenship and leadership by taking an active part in the Girl Scouts of the USA and earning the high honor of the Gold Award.

Sara's outstanding achievement reflects her hard work and dedication. Sara has exhibited unique and creative examples of service that have made a difference in her community. I am confident that she will continue to hold herself to the highest standards in the future. This is an accomplishment for which Sara can take pride in for the rest of her life.

Madam Speaker, I proudly ask you to join me in commending Sara Platt for her accomplishments with the Girl Scouts of the USA and for her efforts put forth in achieving the highest distinction of the Gold Award.

CONGRATULATING JOHN D. MC CARTHY WHO WAS NAMED MAN OF THE YEAR BY THE WILKES-BARRE FRIENDLY SONS OF ST. PATRICK

HON. PAUL E. KANJORSKI

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 11, 2010

Mr. KANJORSKI. Madam Speaker, I rise today to ask you and my esteemed colleagues in the House of Representatives to pay tribute to John D. McCarthy, who was named "Man of the Year" by the Wilkes-Barre Friendly Sons of St. Patrick.

Born in Wilkes-Barre, June 19, 1935, Mr. McCarthy graduated from St. Mary's High School and King's College where he earned a Bachelor of Science degree in business administration.

Mr. McCarthy is chairman of the board of McCarthy Tire Service Company, Inc., one of the largest tire distributorships in North America and also Chairman of the Board of McCarthy Realty, Inc.

Mr. McCarthy has, for many years, left an indelible and positive imprint on many groups and organizations in the Greater Wyoming Valley. He served on the boards of directors of the Wyoming Valley Health Care Systems,
